THURSDAYS 7PM

Encounter Worship is all about bringing people into a dynamic Encounter with Jesus Christ through praise and worship. The team provides anointed praise and worship for all Encounter services, conferences and events.

We focus on creating an atmosphere where original praise & worship songs can be written by the worship team & used primarily for Encounter services. It is our vision to then have these songs recorded & made available easily, quickly & inexpensively. This is made possible through our onsite recording studio www.resoundstudio.co.nz.

The team practice weekly on Thursday nights. If you are interested in joining the team, come along and check us out! Or contact Melissa Yalomatua - 021 225 3774.

ATENCOUNTER

FRIDAYS 7PM

FAMILY.LOVE.HONOUR.SERVE.PEOPLE.GOD

Encounter Youth (11-17yrs) meet every Friday night during the school term.

Anything can happen on Friday nights. From massive zorb ball competitions, to lip sync battles, live testimonies, short messages to encourage, connect groups, our amazing youth band, bball battles and always amazing food. These are great nights for young people to come and encounter God and have a massive load of fun doing it!

We know that it is Friday night and young people like to let their hair out and go wild so we also organise a selection of great events on and offsite where we can enjoy life together. From mid winter pool missions, car rally's, taking over mini-golf courses or our classic ice cream crawl in a double decker bus. These nights are always a hit.

Come along and check it out! Contact Pastor Joel Patchett for more info - 021 545 635.

ATENCOUNTER

SUNDAYS 10AM & 6PM

Sunday is when the whole church comes together for our main worship services. We have programs running for the children during both services.

We are a Holy Spirit church, so you can expect to experience the power of God at every Sunday service. Each service begins with powerful praise & worship lead by our Encounter Worship team, followed by dynamic preaching and ministry.

Following each service there is always hot drinks available and an opportunity to hang out and connect with others.

If you make a decision to follow Christ during one of these services or have any questions about God, we have a team at the Red Tent ready to talk and pray with you.
